

WEEKENDS

What do you do for fun?

WOW! WHAT A WEEKEND. Awesome shopping in Richmond and D.C. (Find a dress for the Snow Ball!) The Sunday Wal-Mart run. A 10K. Spend the night at a day student's house. Go to the theatre. Museums. Or a popular amusement park. Ski. Sail. Climb rocks. Glam it up on beauty makeover nights. Make (eat!) slice-and-bake cookies. Or do you need some down time?

**GIRLS MAY TAKE
FIVE OVERNIGHTS
AWAY EACH TERM.**

AT THE END OF A HARD ACADEMIC WEEK, MANY GIRLS CHOOSE TO UNWIND—AND ENTERTAIN THEIR MANY WEEKEND OPTIONS—OVER DINNER AND A MOVIE IN THE TOWN OF TAPPAHANNOCK.

May Ball is when we dress up and dance under a huge tent on the River Lawn. We have mixers with boys' schools throughout the year.

GIRLS LEARN TO MAKE SMART CHOICES. *They have more weekend options to choose from than you can imagine, on campus and in nearby cities like Washington and Richmond.*

**THERE'S A LOT TO DO,
ON CAMPUS AND OFF.**

And the choice is all theirs. Students are required to participate in at least one weekend outdoor or cultural activity each trimester. We give them a wide variety of fun activities in different price ranges as well as opportunities for supervised study, so they can learn how to balance work and play.
